

- Child Care Circuit is an approved provider of Continuing Education and Training through IACET. (See Mission Statement)
- IACET Mission Statement is to promote and enhance quality in continuing education and training through research, education, and the development and continuous improvement of IACET criteria, principles, and standards. The organization is an accredited Standards Developing Organization by the American Standards Institute (ANSI) and is an authorizing body for education providers that meet the American National Standard for continuing education and training (ANSI/IACET 1-2007 Standards). The IACET standard is what learners seek for quality and is the core of thousands of educational programs worldwide.
